MARYSVILLE JOINT UNIFIED SCHOOL DISTRICT

**MARYSVILLE CHARTER
ACADEMY FOR THE ARTS**

**APPLICATION FOR ENROLLMENT
SCHOOL YEAR 2024-2025**

Marysville Charter Academy for the Arts (MCAA) is a California public charter school for students in grades seven through twelve. Enrollment is open to any resident of Yuba County or counties adjacent to Yuba County. Pupils will be considered for admission without regard to race, color, national origin, gender, or disability.

As a charter school, MCAA has a very specific educational mission and purpose—we are a college preparatory visual and performing arts school. This application is meant to be a tool for helping students and parents/guardians understand MCAA’s instructional and operational philosophies and determine if they are ready to make the commitments required to be successful at Marysville Charter Academy for the Arts. In the event that the applications for enrollment in any year exceed the school’s capacity, a public, random drawing/lottery will be used for admission purposes, as we set limits for enrollment at each grade level. Each application received will be assigned a number and that number will be entered into the drawing once for the application and once for each of the following criteria the applicant meets: the applicant lives within MJUSD boundaries; the applicant is a sibling of a current MCAA student; the applicant is the child of a current MCAA employee.

Please read the following description of the Educational Program of Marysville Charter Academy for the Arts before completing the rest of the application for enrollment.

Return the completed application and all required documents together to Marysville Charter Academy for the Arts, 1917 B Street, Marysville, CA 95901. We will not accept partial applications, only completed ones.

Educational Program of Marysville Charter Academy for the Arts:

Marysville Charter Academy for the Arts is a college preparatory, secondary level school for students in grades seven through twelve. Its curriculum emphasizes instruction in literary, visual, and performing arts. Students receive instruction in the core subject areas of English, math, science and social science, as well as specialized instruction in a wide variety of the arts. Instruction in the core subject areas is primarily interdisciplinary, thematic, and integrates the arts whenever feasible.

Instruction in all subject areas occurs primarily through project-based learning. Project-based learning is an innovative model for teaching and learning that focuses on the central concepts and principles of a discipline, involves students in problem-solving investigations and other meaningful tasks, allows students to work autonomously and collaboratively to construct their own knowledge, and culminates in realistic products, demonstrations and presentations. Project-based learning is a method well suited for teaching the creative arts, as well as the core curriculum subjects. Assessment of students in all subject areas focuses on the products, portfolios and presentations created by students, while also including traditional evaluation methods where appropriate. Students will be held accountable for the same standards of achievement and course completion as all students in the Marysville Joint Unified School District.

At MCAA, students learn to use and apply appropriate technology throughout the academic and creative arts curriculum. They are expected to utilize computer applications effectively throughout their project-based learning program.

High school students are encouraged to identify and pursue a specific area of study within the field of creative arts. They choose an academic and career plan (Pathway) that includes current and future studies and applications in their area of specialty. Student academic plans include activities that extend learning beyond the walls of the classroom and into the community.

Students at MCAA are expected to develop personal responsibility, skills for productive work in artistic pursuits and careers, and the ability to be a lifelong learner. The vision and focus of MCAA therefore creates an environment for students to become responsible, cooperative and creative learners, who are ready for the future.

The Marysville Charter Academy for the Arts solely offers a college preparatory academic program for its students. Students are expected to be responsible, self-disciplined, highly motivated learners. We ask that parents/guardians provide the following information to demonstrate their child's ability or potential to work at grade level. Our purpose is not to be exclusive, but rather to ensure that this is the right educational placement for your child. If you do not have copies of any of these documents, they are generally available at your student's last school of attendance.

The following documents are mandatory and must be submitted to complete the application process.

- Copy of current immunization records (including Tdap verification)
- Copy of complete report card from the most recent academic year or the most recent high school transcript
- Copy of student discipline record or statement from current school's administrator
- Completed Inter/Intra District Transfer Agreement
- Completed [Home Language Survey](#) if a student is enrolling in a California school for the first time.
- Handwritten statement from student, maximum of one page, stating reasons for wanting to attend MCAA, interest and/or experience in the arts, & level of computer proficiency

The following items are optional, but highly recommended to demonstrate potential to be successful, especially if the student has struggled academically in school. ***These are the only application type documents that can be submitted after the application has been accepted, although it is better to submit them with the application packet.***

- Letter of recommendation from teacher or administrator from previous school of attendance, or community member who has worked with the student
- Copy of the most current standardized testing report or recent math and reading diagnostic testing results
- Copy of qualification documents for special programs, i.e. Gifted and Talented Program (GATE), Resource Program (RSP), American Indian Education, English Language Learner

Parents of all students are highly encouraged to contribute volunteer service to the school each academic year and/or take an active role in supporting the instructional process. Your signature below indicates your understanding of, and agreement to meet, the intent of this commitment.

Inter/Intra District Agreement (Education Code 46600 and 46601)

An orientation with both student and parent(s)/guardian(s) is required to complete the application process. Students in the tenth, eleventh and twelfth grade may also be asked to demonstrate their artistic skills, present a portfolio of artwork, or make evident a strong and well-defined interest in the arts. Applicants for Marysville Charter Academy for the Arts will be contacted to set up a convenient time for the orientation. In addition, an Individual Education Plan (IEP) meeting may be necessary to discuss services for any special education student.

As part of the orientation process, students and parent(s)/guardian(s) will review MCAA's student handbook, policies and procedures on attendance, discipline, academic achievement, assessment, transportation, and health and safety to ensure that they understand the policies and expectations of the school.

Thank you for taking the time to complete this application. If you have questions about the application process or the items required, please contact Eric Preston, Principal, or Kristen Batchelder, Counselor at 749-6157.

While we understand that this application process can seem intimidating, *it is not our intent to exclude any student seriously interested in attending Marysville Charter Academy for the Arts, regardless of artistic talent or experience.* If you and your child understand and agree with the instructional philosophies and educational program of the Academy, we want you to be a part of our community. Again, thank you for taking the time to complete this application.

Return the completed application, Inter-District Transfer Agreement, and all required documents to Marysville Charter Academy for the Arts, 1917 B Street, Marysville, CA 95901.
